# PARISH COUNCIL NOTES

Meeting held on Thursday 18th September, 1986 at The Old Farmhouse.

## Structure Plan

The Chairman reported that he, the Clerk, and Councillor Webb had attended the Public Meeting at Swavesey on Friday 12th September. At this meeting concern was strongly expressed by Swavesey residents at the proposed new settlement outlined in the Plan. To gain the feelings of the Parish Council on all aspects which may affect Bar Hill, there is to be an interim meeting of the Council to discuss this in order that comments can be put in writing to the County Council.

## Blood Transfusion Service

The Chairman read a letter received from the Blood Transfusion Service, advising that they would be holding a session in the Village Hall on Monday 10th November. It is hoped that enough people will register on that date so that further sessions will be held in Bar Hill. It was suggested that even if residents normally attend Swavesey and are not due to give blood in November, perhaps they could be encouraged to register at the Village Hall to help ensure that this worthwhile event will occur in Bar Hill in the future.

## Kitchen Range

The Parish Council are hoping to meet with Mr. Lebus from Kitchen Range in the near future in order to discuss various aspects, as the Council are still concerned about the danger aspects of the site.

## Fly Posting at Entrance to Village

The Parish Council again expressed concern at the number of organisations erecting signs, posters, etc., at the entrance to the Village without prior notification to the Clerk.

## District Councillors Report - R. Cruse

**Dog Fouling** — Mrs. Cruse read an extract on the renewal of this byelaw which will come into effect on 1st January '87 Basically, this would mean a £50 fine for anyone allowing their dog to foul public areas. The Parish Council was in full agreement to pursuing this and effecting this byelaw in the Parish.

**AIDS Awareness** — Mrs. Cruse had attended an AIDS Awareness Seminar which had detailed this alarmingly increasing problem in this country. Mrs. Cruse also advised that she had leaflets giving information on AIDS, which are available to anyone requesting them.

## County Councillors Report - J. Reynolds

**Static Library** — Mr. Reynolds reported that a feasibility study is being undertaken by the County Council, upon completion of which planning approval will be sought.

C. McDermott, (Mrs.)
Clerk to the Parish Council.

## BAR HILL COMMUNITY PRIMARY SCHOOL

Now that the nights are drawing in upon us I hope that you have managed to find something to interest you in the many classes and activities advertised by the various Community Education venues. Three programmes have been delivered through your door, The Manor, Swavesey V.C., and your very own Community Primary School. The courses that have all been arranged here have all been asked for by various members of our community so I do hope that by the time you read this all classes are bulging at the seams. Some I hope will continue into next half term so do look out for information.

As you know from previous years we hold "one off" evenings throughout the winter terms and the first one this Autumn is:

"Diary Cooking" presented by the Milk Marketing Board on Tuesday 21st October at 7.30 p.m. Tickets at the door 50p.

I do hope you will all come along bringing your friends from far and wide. We usually do have a good crowd for the first of the winter events so come early.

You may be new to the village and if so I would urge you to pop down to the School to see how many clubs and societies meet here. You may get a very pleasant surprise and there is now better way to make friends than a shared interest.

I look forward to seeing you in YOUR community school.

Irene Abraham,
Community Co-Ordinator

LITTER BUSTERS

HAVE YOU NOTICED THAT BAR HILL HAS BECOME REASONABLY LITTER-FREE? If you have, please read on.

There are three separate groups who are responsible for the improvement. They are a) the three man maintenance team employed by the Parish Council, b) Tescos, c) a very small group of Bar Hill residents who aren't too proud to pick up other peoples rubbish.

THE MAINTENANCE TEAM who (among many other things) do such a splendid job keeping all our green bits neat and tidy, are confronted weekly by black bags of garden refuse, sinks, car seats, etc. etc., dumped by lazy inconsiderate Bar Hill villagers. WHY DO YOU DO IT? Take it to the Municipal tip at Milton like the majority of us do. The Parish Council used to provide a skip for garden refuse - at quite considerable cost. This inevitably was abused and the facility reluctantly withdrawn.

TESCO'S have quite a task on their hands with the very large number of people who use the store and the Mall. They have achieved a great improvement but have a continuing battle to maintain a pleasant, litter-free environment, occupying as they do, such a central predominant position in our village.

Last, but not least, comes the reason for this appeal to your better natures! Until (if ever) a time comes when litter isn't dropped, could we enlist MORE LITTER BUSTERS. The only qualification needed is an ability to bend at the knees. Is it really beneath your dignity to collect a few bits of litter as you walk past the church or along the spine paths on your way to school or work.

The ONLY reason Bar Hill has less litter is because someone is picking it up. HELP US PLEASE!

It would be nice to publish a list of Litter Busters, phone us with your name - be proud of taking an active part in the ongoing task of keeping YOUR Village clean.

Freda Skelson
CH 81052

Veronica Webb
CH 81015

P.S. Please will you stop leaving trolleys on the paths - they really are an eye sore for the people who walk around Bar Hill.

## DAVE AND GERRY'S DISCO

Lots to say so lets get straight at it. Firstly we have begun our new season of extravaganza with "Nightmusic" on 12th September (sorry the Bar Hill date was shown as the 27th this was due to over confidence on my part and difficulty in contacting Mrs. Pink after their house move). I can definitely confirm our next booking as:

24th October - Village Hall

Due to losses incurred on 4th July we have had to restore the price to £2 (hopefully only temporarily - it all depends on YOUR SUPPORT). Gerry and I hope to continue supporting local organisations as soon as our funds have recovered.

One thing that continues to puzzle me - and that is the reluctance of anybody to be our first customer. Perhaps a bunch of you could come in together as its a bit boring for me, having struggled to get there by 8 o'clock, to find myself having to talk to Gerry. Please take pity on me - just how much do you think I can take?

Whilst on the subject of pity - I see that Andrea has a new "smoothy" - I will have to buy her a white stick. Finally who's got a new pair of jeans with a button fly? It could be quite amusing in the gents after he's had a couple of pints.

Finally, finally, don't forget our next disco date is:

FRIDAY 24TH OCTOBER.

Dave

## BAR HILL ALLOTMENT AND GARDEN SOCIETY

Not much to report this month, apologies once again for the demise of the garden competition due to lack of entries. Its a shame, as there are some lovely gardens in Bar Hill and we could have had a really tight contest.

A reminder that the shop will be open every Sunday until the end of October as usual, from 11.30 - 12.30.

Finally, PLOT RENTS are due from the end of September - £3.50 for an existing plot and £1.00 for a new one, and membership is still only 50p per year. So anyone interested come along and grab a little extension to grow your own vegetables.

Any queries please ring Dave on CH 81048.

## DISTIRCT COUNCILLORS REPORT

The County Structure Plan has naturally been discussed by the planning committee in some depth and will be discussed by full council at a special meeting on October 23rd.

The existing Good Rule and Government Byelaws expire at the end of this year and at the last General Purposes Committee meeting possible amendments were discussed. The Byelaws cover a wide variety of issues to do with good neighbourly conduct and particularly pertinent to the village is the item referring to dogs fouling footways and grass verges. The byelaw states 1. No person in charge of a dog shall allow the dog to foul a footway or grass verge (being a footway or grass verge to which this byelaw applies) by depositing its excrement thereon. Provided that in proceedings for an offence against this byelaw it shall be a defence for the person charged to prove that he took all reasonable precautions and exercised all due diligence to avoid the commission of the offence. 2. The byelaw applies to: a) The footpath of any highway or any public place and b) A grass verge which is not more than three metres wide and is i) adjacent to the carriageway or footpath of a highway; and ii) managed by a local authority and maintained in good order. 3. For the purposes of this byelaw the owner of the dog shall be deemed in charge thereof, unless the court is satisfied that at the time when the dog fouled the footpath or grass verge it had been placed in or taken into the charge of some other person.

A person found guilty of offending against any of the byelaws is liable to a fine not exceeding £50.

## Ist BAR HILL SCOUT GROUP

Three older scouts cycled from York to Cambridge between 20th and 24th August to achieve their Chief Scouts Challenge Award. The expedition was planned and carried out by Andrew Baigent, Lawrence Brett from Bar Hill and Jeremy Brown from Swavesey and on their way they visited the cathedrals at York, Lincoln, Peterborough and Ely.

This expedition was the culmination of their training over the past years and they gave a presentation showing their experiences during the meeting on 12th September. This presentation is booked to be shown during the Chief Scouts visit to Cambridgeshire on 27th September.

The Bar Hill Scout Group is providing an active and interesting programme for the young people of Bar Hill and would like to expand the service to include a Beaver Colony (6 - 8 year olds). If you have a son who is approaching this age please let us know through Roger Mason GSL (82479) and we will assess the potential.

## WEBB IVORY - CUBS/SCOUTS and BROWNIES/GUIDES - WEBB IVORY

The Bar Hill Cubs/Scouts and Brownies/Guides have again joined forces this year to operate the Webb Ivory Christmas Card Catalogue.

Those of you who have supported us in the past will know that this offers good quality cards, wrapping paper, calendars and small gifts at very reasonable prices, as well as providing a very valuable boost to our funds for equipment etc.

The catalogues will be delivered to every house in the village, and collected again a few days later. If you have already received a catalogue which has not been collected, please let us know. If you do not receive a catalogue by the end of October, and would like to see one, also please let us know.

May we take this opportunity to thank you for your continued support. We look forward to receiving your order.

If you have any queries please contact us.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

**Dear Resident**

The County Council's Planning Sub-Committee have again discussed the Cambridge Green Belt Proposals and has decided to ammend a number of proposals made in the original draft. These include the retention of the Green Belt at Trumpington and the releasing of land for development of housing and employment on the north side of Cambridge near the Science Park plus deletion from the Green Belt of 30 acres of land adjacent to Marshalls to enable them to expand. Due to these and other ammendments there will be a need for a further round of consultations with a six week period for the public to see the ammended documents and make fresh representations.

I am pleased that at last there has been a resolution of the problem of who Chairs County Council Committee Meetings, now all three Political Parties will be taking part in what will be purely the Management and running of Meetings and not a Policy making role. I sincerely hope that now the number and length of Meetings will be considerably reduced and the decision making process of the Council will be greatly improved.

Later in September the Education Committee will be discussing the principles of the re-organisation of 16 - 19 Education in the Cambridgeshire Area. The options range from retaining the current structure which has successfully existed for the past 12 years and consisting of Sixth Form Colleges - 11/18 Schools - Further Education Colleges to their replacement by two massive new Tertiary Colleges. The result of the discussions will set the pattern of Educational provision to the 21st Centuary. I would be very pleased to hear your views on this subject.

The County Council's Draft Structure Plan has aroused considerable interest and controversy especially in relation to the volume of expansion proposed across the County to meet projected housing needs. More locally this includes the proposed new settlement near Swavesey which would accommodate 10,000 people, if approved this settlement could have many implications for Bar Hill. I would also be pleased to hear your views and comments on this.

Please do not forget to complete your Electoral Roll Form. If you need help or think you are entitled to a postal vote because of chronic illness or you are away for educational or business reasons do not hesitate to contact me.at the following address Councillor John Reynolds 4 Pettitts Close, Dry Drayton, or telephone 'Careline' on Crafts Hill 80975

Yours sincerely

John Reynolds

**ROYAL BRITISH LEGION**
**(BAR HILL BRANCH)**

**The next meeting will be at 20.15 hrs. on Thursday, 9th October at the Farmhouse by the School, specifically for the purpose of meeting new members and explaining the work that the "Legion" does.**

**The primary objective of the Royal British Legion is to support and assist Ex Servicemen and their dependants, but in doing so we do hold social events that Members' families and friends are invited to.**

**Poppy Day**

**We would also like to hear from or meet current or past members who are prepared to sacrifice some of their time in order to collect for the extremely worthwhile Poppy Day, all of which is given to the Earl Haig fund in order to assist Ex Servicemen and their dependants covering the spectrum from those that served in the First World War to those that have served in Ireland and the Falklands.**

**Even if you cannot spare the time, we would appreciate your support, so try and make it on the 9th, you'll be made very welcome.**

## LETTER TO THE EDITOR

As a resident of Bar Hill for 14 years and employee of the Village Hall Playgroup for 6, I am disheartened to have to put my feelings in writing on the subject of dog foulings around our play area on the village green.

Surely we are all aware of the dreadful disease this can cause with small children playing and the hazards of their grubby fingers going into their mouths etc. I have been back at playgroup for one week into this autumn term and have had to clear the play area each day before allowing the children out to play. Somebody suggested we purchased a scoop for this reason. However, I don't feel this is entirely my responsibility to be clearing up after other peoples pets.

Please, please can something be done.

## NEW BLOOD DONOR SESSION, Village Hall, Bar Hill

Following many requests from different sources in the village, we are starting a new blood donor panel in Bar Hill and the first session has been booked for Monday 10th November in the Village Hall.

Although there are a number of existing donors living in the village, we hope to recruit many more and would be most grateful for your support. Existing donors, although unable to give blood this time, are invited to register in Bar Hill to make a future visit worthwhile.

Many thanks,

National Blood Transfusion Service

## POLICE NOTES

1. It seems the mindless cretin season has arrived early this year. Congratulations to the brainless idiot who threw a firework into the Church Centre frightening the lives out of a small girls ballet class whose only crime was to go out and find something useful to do with their time. You must be proud of yourself!

2. Drivers - please be considerate in your car parking habits. Pedestrians, partially sighted, elderly, mothers with prams have a perfect right to expect unrestricted passage along footpaths. Certain residents of The Brambles apparently treat certain areas of Hollytrees as a car park - consideration? Little Meadow is giving cause for concern - the speed limit is 30 m.p.h.; that does not necessarily mean that 30 m.p.h. is a safe speed - we are watching you.

3. We appear to have a spate of pedal cycle thefts in the village - remember the simple advice: LOCK IT OR LOSE IT.

P.C. Jim Turney

## BOOK GROUP

The next meeting of Book Group is at 8.00pm on Thursday 23rd October at Lesley's, 89 Hollytrees (CH 80739). We will be discussing books written by Rebecca West.

BAR HILL COLTS F.C.

As reported last month our youth football club has expanded rapidly although, unfortunately our under-13 team has withdrawn from the league (they will continue together to play friendly games). We continue to practice on Saturday mornings and new players should either come along then, 9.00 for u-11's, 10.30 for u-8, u-9 and u-12, or telephone Dick or Jennie Barker for further information on 80702.

Because of the large number of younger children coming along on Saturday mornings we have now divided them into u-8's and u-9's being coached by Graham Tarrant and John Aves, Graham Wagstaff and Dave Cook respectively. We hope shortly to be organising our first friendlies for these teams this month. We hope that we shall soon obtain sponsorship for these teams from a local company. In next months issue of the B.H. News we shall be publishing team lists. Now follows progress reports of our u-11 and u-12 teams.

Under 11's

Since our Domino Printing Sciences plc team was founded in August the training has gone exceedingly well, largely due to the efforts and knowledge of Jim Turney and John Targell. We played our first friendly match against a very accomplished "Histon Hornets" team, in which the boys performed well in holding them back to a 2-0 win.

Considering the lack of match practise of the Bar Hill boys, we were highly delighted with their performance against a much more experienced team. As a result of his effort in pre-season training and his match performance against Histon, this months STONEWHEEL VIDEO TROPHY has been awarded to PAUL MORRIS.

P.S. I hope that we can finish the season as we have heard that Ron Atkinson has applied for the Managers job.

Stop Press: Latest League Result Cottenham 4 Bar Hill 0
Bar Hill 1 Eterknit 1
The first point of the season is the hardest to get, now we are on our way to a good season.

Jack Fleming

Under 12's

The under 12's are now being sponsored by the Bar Hill Social Club for which we are greatly indebted.

We played two pre-season friendlies this year against Swavesey and Cherry Hinton B who we beat 7-1 and 7-0. These successes lifted morale for our first league game against Abington which we won 3-0 a much more auspicious start than last season. Abington were a bit of a bogey team for us in that they beat us twice last season when really we should have won. Sunday's victory was very satisfying for all of us.

Dick Barker
